The Coral Sea Apartments located along the Great Northern Highway on the way to One Tree Hill, Hamilton Island offer spectacular apartment living and ocean views for all visitors.

These open plan - living, kitchen and dining spaces open up to spectacular water view balconies. ATM Floor Sanding and Polishing were commissioned to install and finish the Blackbutt Timber flooring throughout the 13 apartments.

The polished timber flooring was finished with Polycure's DURAPOL 1013 Super Satin - A single pack, clear, moisture curing polyurethane. Highly abrasion resistant and durable, resulting in a subtle satin sheen.

These spectacular Blackbutt floors have an even texture that take any style of finish well and are a popular choice for their hardwearing properties especially for interior use applications.

ATM Floor Sanding and Polishing have finished these apartment floors with exceptional detail ensuring any homeowner or visitor enjoying their beautiful floors.
